

Paraclipse™ Fly Patrol  
 Dimensions: 12.25" x 12" x 6.25"  
 Weight: 3.5 lbs.

## FLY PATROL - Decorative Home / Light Commercial Unit

The Paraclipse™ Fly Patrol is the ultimate home decorative fly control system. Yet it is also powerful enough for light commercial use. Its small size enables it to comfortably blend into the decor of any home or small restaurant or dining area. The Paraclipse™ Fly Patrol uses a highly effective combination of special UV light, attractants and trapping surface to trap flying insects. Its patented automatic advance 30 day cartridge is capable of eliminating large quantities of flies.

### Designed for use in:

- Kitchens
- Family Rooms
- Recreational Rooms
- Dining Rooms
- Garages/Workshops
- Conference Rooms
- Small Restaurants/Delis
