

**Product Number:** 58860

**Order Abbreviation:** FAL

**General Description:** 420 watt, tungsten halogen, medium to high voltage, double-ended

#### Product Information

|                                   |                           |
|-----------------------------------|---------------------------|
| Abbrev. With Packaging Info.      | FAL 120V 24/CS 1/SKU      |
| ANSI Code                         | FAL                       |
| Application                       | Projector, Stage & Studio |
| Average Rated Life (hr)           | 75                        |
| Base                              | R7s                       |
| Bulb                              | T12                       |
| Class                             | C (gas)                   |
| Color Rendering Index (CRI)       | 100                       |
| Color Temperature (K)             | 3200                      |
| Diameter d (in)                   | 0.000                     |
| Diameter d (mm)                   | 0.00                      |
| Filament                          | CC-8                      |
| Lamp Finish                       | Frosted                   |
| Length l (in)                     | 2.383                     |
| Length l (mm)                     | 61.09                     |
| Length l max. (in)                | 2.383                     |
| Length l max. (mm)                | 61.09                     |
| Luminous Flux (lm)                | 11000                     |
| Maximum Overall Length - MOL (in) | 2.383                     |
| Maximum Overall Length - MOL (mm) | 61.09                     |
| Nominal Voltage (V)               | 120.00                    |
| Nominal Wattage (W)               | 420.00                    |
| Operating Position                | Any                       |
| Type of Current                   | AC                        |
