(Credenza only)

**Product family features**

- Convenient full range dimmers for table and floor lamps
- Use a standard light bulb instead of costly 3-level bulbs
- **C•L™** dimmers offer more reliable dimming performance over standard dimmers when dimming CFLs and LED. They also provide full range dimming for incandescent and halogen bulbs as well as mixed loads types.
- LED glows softly as a locator light (optional feature)
- Place Credenza dimmer on tabletop or connect the Attaché dimmer to the lamp cord
- For detailed information, see Application Notes #91 (Guide to Dimming Table Lamps) by visiting [www.lutron.com/applicationnotes](http://www.lutron.com/applicationnotes)
- Cord is 6ft (1.8m) long

**Direct load type compatibility**

- 💡 Incandescent/halogen lighting
- 💡/🌀 Dimmable CFL/LED lighting (screw-base)

**Plug-in lamp dimmers are also available for:**

**Maestro Wireless®**  
See pg. 70

**Spacer System® IR**  
See pg. 78
