

HORTILUX™

High Performance Light for High Performance Growth

SUPER HPS™

Environmentally Friendly

EN lamps are Environmental Protection Agency/ TCLP compliant as non hazardous waste in that they are completely lead free and contain less mercury than standard HPS lamps.

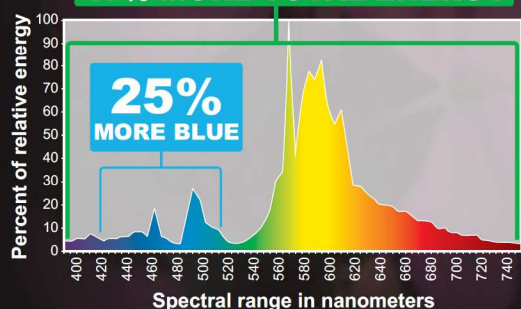

Enhanced Spectrum

Super HPS provides **17% more total energy** and **25% more energy** in the Violet, Blue and Green spectrum than Standard High Pressure Sodium (HPS) which help balance the spectrum for increased plant response and accelerated growth.
