**Company Founders' NO-RISK,
100% Money Back
GUARANTEE**

Big Bud was specifically built for growers just like you, who have very specific demands and expectations from your hydroponics needs. When you use Big Bud it must perform flawlessly for you. You'll find it will mix easily and quickly into your reservoir and deliver the goods you're looking for.

What's more... Big Bud will work every time for you using any and all hydroponics, sphagnum or other growing media. Big Bud has been developed for use with any and all hydroponics and continuous liquid feed growing systems (aeroponic, drip irrigation and emitters, NFT, flood & drain). We guarantee it!

And when you use Big Bud you'll never have to risk even one penny because it's 100% guaranteed, as always if for any reason you're not absolutely delighted we'll refund all your money back it's that simple. Bring the unused portion along with your original purchase receipt back to your place of purchase within six months, and you get your money back.

As always, dedicated to your gardening success.
