Company Founders' NO-RISK, 100% Money Back GUARANTEE

Piranha was specifically built for growers just like you, who have very specific demands and expectations from your hydroponics needs. When you use Piranha it must perform flawlessly for you. You'll find it will mix easily and quickly into your reservoir and deliver the goods you're looking for.

What's more... Piranha will work every time for you using any and all hydroponics, sphagnum, coco coir and other growing media. Piranha has been developed for use with any and all hydroponics and continuous liquid feed growing systems (aeroponic, drip irrigation and emitters, NFT, flood & drain). We guarantee it!

And when you use Piranha you'll never have to risk even one penny because it's 100% guaranteed, as always if for any reason you're not absolutely delighted we'll refund all your money back it's that simple. Bring the unused portion along with your original purchase receipt back to your place of purchase within six months, and you get your money back. As always, dedicated to your gardening success.

Piranha Liquid Microbial

Now You Can Increase The Size And Efficiency Of Your Plant's Roots!

Roots are the foundation of your plant's ability to intake water and nutrients so they grow well and produce the valuable flowers you so very much enjoy. Use Piranha to put the beneficial fungi into your root zone so your roots gain surface mass and increased ability to uptake moisture and nutrients. Your guaranteed results are increased plant vigor which rewards you throughout your crop cycle and at harvest time.

Piranha has been specially designed for use with all hydroponics, sphagnum, coco coir and other growing media.

Piranha has been developed for use with any and all hydroponics and continuous liquid feed growing systems (aeroponic, drip irrigation and emitters, NFT, flood & drain).

CONTAINS NON-PLANT FOOD INGREDIENT(S): GUARANTEED ANALYSIS: Amendment Ingredients:
