ona odor stop

Compact. Quiet. Inconspicuous.

The ONA Odor Stop has been designed to provide substantial odor control while staying out of your way.

The Odor Stop has a low profile and can be attached with its convenient mounting bracket to any vertical wall or surface.

ONA Odor Stop has up to 225 cfm output, controlled with a variable speed switch.

The ONA Odor Stop is an excellent dispenser/fan for medium duty application. It has a high volume of airflow combined with a compact profile that can be conveniently placed anywhere odor neutralization is required.

The ONA Odor Stop requires a standard 115 volt power source and has 2 - 4" ports for easy installment to ventilation systems.

The Odor Stop features a variable speed fan to distribute ONA up to a maximum airflow of 225 cubic feet per minute (CFM). It provides odor neutralization for a room up to 10,000 sq. ft.

The ONA Odor Stop is designed for the 4 liter jar ONA Gel container, which will last for 4-6 weeks.

Ona permanently eliminates any airborne odors, cleanly and effectively. Ona is environmentally friendly, non-toxic and easy to use. Ona is an industrial strength odor neutralizer, yet can be safely used around people and pets. Everyone who uses it knows...ona works great to make those bad smells disappear. Pets, plants, garbage, smoke, germs, mildew - all are gone with the power of ONA.

The ONA Odor Stop dispenses ONA Gel from a 4 liter container - for effective odor control.

Make Odor Problems Gone.
Eliminate them permanently with ona.
