

INTRODUCING...

DRAKON™

BUILT FOR ULTIMATE PERFORMANCE

MADE
IN THE USA

99.99%
PURE LEAD

High Performance Pure Lead
AGM Engine Start Batteries

High Performance Pure Lead
AGM Marine Batteries

IDEAL FOR:

- Heavy duty applications
 - Truck fleets
 - Power tailgates
- First Responder
 - Police
 - Fire
 - Ambulance
 - Border Patrol
- RV
- Marine
- High demand automotive

- Cutting edge pure lead AGM technology
- All acid is absorbed in glass mat (zero free flowing liquid) no potential for freezing
- High compression cell structure improves high vibration resistance, 28X MORE than conventional batteries
- 3 Stage Terminal compression that eliminates potential leakage
- Ultra thin plate technology increases the number of plates creating greater exposure to reactive elements increasing performance
- Delivers exceptional CCA and reserve capacity
- Longer lifetime, no matter what you drive or where you drive it
- Quick starting every time
- Unrivalled cycling
- High vibration tolerance
- Resistance to gasoline and oils
- Faster recharge than conventional batteries
- Minimal maintenance even in extreme conditions
- OEM fit is ensured to be built to exact BCI standards
- Non-hazardous for ground, sea and air transport
- 2 year shelf life
- Longest warranty in the industry (4 years for AGM engine start batteries; 3 years for Marine AGM batteries)
