

# C6-LSA

Recessed "Pan" Conversion Kit

## Product Description

The C6-LSA is a hard-wire conversion kit, designed to convert "pan" type recessed downlight housings, with 6"-8" apertures\*, for use with LR6 and CR6 downlights from Cree. Rated for use with low-wattage luminaires, the C6-LSA can help to optimize energy density calculations, making energy code compliance and LEED certification easier.
