

### Product Overview

#### T8L1200-18W-02-120-32

- 1521 lumens
- 3200K
- 76.1 CRI
- 18.5 watts

### Features

- Instant on – no flickering
- Quiet operation – no humming or buzzing
- Fits into fixtures designed for 48" fluorescent lamps (ballast must be bypassed)
- Polycarbonate lens hides LEDs and mimics the look of fluorescent
- Mercury-free and glass-free construction adds safety to installation
- Three year warranty

### General Product Specifications

Rated Life	50,000 hours
Warranty	3 years
Input voltage	120V, 60Hz AC
Operating temperature	-4°F - 100°F (-20°C - 40°C)
LED type	3528 SMD
Viewing angle	180°
Safety Rating	UL Classified

Product data is LM-79 certified.
