

Unmatched efficiency and brightness.

Professional lighting, outstanding savings

With up to 76 LPW, you gain industry-leading efficiency and brightness for a 35W and 50W equivalent. Compatible with a wide range of dimmers and transformers, the MR16 range offers intensity and crisp white punch in a small profile. Seamless white design compliments a wide variety of applications and luminaires. When true colors are a must – retail environments are just one example – you can choose a High CRI (90+) option. This provides color interpretation that comes closest to natural light.

Key Features:

- Smooth dimming down to 10% of full light levels*
- No cooling fan required, eliminating noise
- Wide range of CCT and beam distribution options
- Crisp white light delivering uniform illumination
- High CRI (90+) option

Benefits:

- Focused/directional light where you want it
- Virtually no UV/IR in beam
- Worry-free maintenance
- Low energy use - sustainable for the environment

APPLICATIONS

Retail, Hospitality, Office, Museum and Restaurant (Suitable for accent and general lighting)

*Please refer to spec sheets for more information.

MR16 SERIES

5.3W/7.4W MR16 GU5.3
Equivalent to 35W/50W

3.2W/5W MR16 GU10
Equivalent to 20W/35W
