DURACELL® PROCELL®
ALKALINE BATTERIES

THE EFFICIENT POWER CHOICE

Facilities are challenged with purchasing batteries that balance performance needs, costs, productivity, and environmental responsibility.

Duracell Batteries provide long lasting power for today's battery powered industrial devices. Reducing the number of times workers have to replace batteries, makes them more productive and cuts costs.

Economically packaged in bulk for professional applications and individually date-coded for effective inventory management, the Procell line is designed for efficiency. Manufactured to strict specifications, they meet the highest standards of durability and longevity. Guaranteed fresh for 7 years, all Procell batteries contain no added mercury and are rated for reliable operation in extremes from -4°F to 129°F.

Duracell Procell batteries are recommended for:

- + Pagers
