FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination in residential and light commercial applications. Ideal for use in workshops, utility rooms and garages. **If required for commercial application or operation more than eight (8) hours per day, consult factory for available options.**

Attributes: This attractive shoplight with textured finish is for chain mounting only. Includes 12" of chain. Starts reliably down to 0° (-18°C). Fully assembled, ready-to-install. Comes with 5' power cord - no wiring required. Easy on/off power switch with beaded chain.

Utilizes (2) 32W linear T8 fluorescent lamps (F32T8/735) for energy efficiency, superior color rendering and 10,000 hour average lamp life. (not included)

Standard with residential HPF electronic ballast (120 volt, 60Hz). Instant on, ensures no flickering and quiet operation without interfering with other home electronics. Starts instantly down to 0°F (-18°C).

All mounting hardware included. 1242Z

For use with non-dimmable switches only.

LISTINGS

CUL listed to US and Canadian safety standards and suitable for damp locations. ENERGY STAR® certified.

WARRANTY

2-year limited warranty. Complete warranty terms located at www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx

Note: Actual performance may differ as a result of end-user environment and application.

Specifications subject to change without notice.
