IDENTITY (As Used on Label and List)	Note: Blank spaces are not permitted. If any
Mexican Bat Guano	item is not applicable, or no information is available, the space must be marked to indicate that.

#### Section I

Manufacturer's Name Sunleaves Garden Products	Emergency Telephone Number N/A
Address (Number, Street, City, State, and ZIP Code)	Telephone Number for Information 812-876-6450
7854 N. State Road 37	Date Prepared 06-08-2005
Bloomington, IN 47404	Signature of Preparer (optional)

## Section II - Hazardous Ingredients/Identity Information

Hazardous Components (Specific Chemical Identity; Common Name(s))	OSHA PEL N/A	ACGIH TLV N/A	Other Limits Recommended N/A	%(optional) N/A
Bat guano contains Ammoniac Nitrogen				

## Section III - Physical/Chemical Characteristics

Boiling Point	N/A	Specific Gravity @ 40° C	0.76 g/ml
Vapor Pressure (mm Hg)	N/A	Melting Point	N/A
Vapor Density (AIR = 1)	N/A	Evaporation Rate (Butyl Acetate = 1)	N/A
Solubility in Water N/A (Creates a suspension in	Water)		
Appearance and Odor Moist medium brown fine powder with strong Ammonia odor.			

#### Section IV - Fire and Explosion Hazard Data

Flash Point (Method Used) None	Flammable Limits None	LEL None	UEL None
Extinguishing Media Water, CO2, Dry Chemical Foa	nm		
Special Fire Fighting Procedure Treat as Class A	S		
Unusual Fire and Explosion Had Avoid creating large dust cloud		r electric spark.	

(Reproduce locally)

OSHA 174, Sept. 1985

#### Section V - Reactivity Data

Stability	Unstable		Conditions to Avoid	
	Stable X		None Known	
Incompatibility	Incompatibility (Materials to Avoid) None Known			
Hazardous Deco	omposition or B	yproducts	None Known	
Hazardous Polymerization	May Occur		Conditions to Avoid None Known	
	Will Not Occur	X		

### Section VI - Health Hazard Data

Route(s) of Entry:	Inhalation? Yes (Dust)	Skin? Open Wound	Ingestion? Yes
Health Hazards (Acute and Chronic)			
Acute: Choking due to inhalation of fine dust, Possible Irritation if open wound is exposed (Biologically active material)			
Chronic: Potential for exposure to Spores of <i>Histoplasma capsulatum</i> if fine dust is inhaled, x causing potential for chronic lung infection Histoplasmosis.			

Carcinogenicity: N/A	NTP? N/A	IARC Monographs? N/A	OSHA Regulated? N/A
Signs and Symptoms	of Exposure		
		breathing problems (choking). Exposure of open wound wi	<u> </u>
Medical Conditions			
Generally Aggravated by Exposure: None Known			
Emergency and First Aid Procedures:			
Remove exposed person from area to an area free of dust in the case of inhalation. Clean exposed open wound with soap and water.			

# Section VII - Precautions for Safe Handling and Use

Steps to Be Taken in Case Material is Released or Spilled	
Sweep up with broom or remove by vacuuming	
Waste Disposal Method	
No special waste disposal precautions.	
Precautions to Be taken in Handling and Storing:	
Store in a relatively cool dry space	
Other Precautions	
None known	

#### Section VIII - Control Measures

	roctection (Specify Type) ith organic filter. If wet respirator	may be necessary to protect from ammonia.
Ventilation	Local Exhaust Special N/A	
	Mechanical (General) N/A	Other N/A

Protective Gloves: Eye Protection:		
Not required	Recommended	
Other Protective Clothing or Equipment:		
None required		
Work/Hygienic Practices:		
Bathe to remove dust. Wash hands frequently when handling.
