

Safer® Brand Insect Killing Soap

32 fl. oz. ready-to-use spray

Instructions:

What it is: Safer Brand Insect Killing Soap with Seaweed Extract is a special formulation of insecticidal soap. This ingredient kills insects, yet is gentle on plants with no unpleasant odor.

What it kills: aphids, earwigs, grasshoppers, harlequin bugs, leafhoppers, mealybugs, mites, plant bugs, psyllids, sawfly larvae, soft scales, spider mites, squash bugs, blossom thrips, and whiteflies.

Where to use it: roses, flowers, fruits, vegetables, houseplants, trees, shrubs, and ornamentals.

Directions for Use:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

How to use it: Shake well. Use at first sighting of insects or when their damage appears. Thorough coverage of all plant surfaces including both top and bottom leaves is important. Spray leaves to the point of runoff. Can be used up to the day of harvest. Apply every 5 to 7 days when insects are present.

Do Not Use on Euphorbias, Gardenias or Delicate Ferns. Test for varietal sensitivity on azaleas, begonias, camellias, fuschias, impatiens, jade plants and palms.

Precautionary Statements:

Hazards to Humans and Domestic Animals:

Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

First Aid:

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes.

Remove contact lenses if present after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin or Clothing:

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-858-7378 for emergency medical treatment advice.

Environmental Hazards:

This product may be hazardous to aquatic invertebrates. For terrestrial use, do not apply directly to water or to areas when surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of rinsate.

Storage and Disposal:

Storage: Store only in original container in a cool, dry and inaccessible to children and pets. Protect from freezing and heat. Keep container tightly closed to prevent evaporation.

Disposal:

If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or (800)CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
