

Why Putco LED?

- Today's hottest lighting trend in the automotive industry is LED.
- Provides styling capabilities without investing in replacement factory fixtures.
- **Appearance** - Produces a brighter, cleaner and more attractive light than factory incandescent bulbs.
- **Reliability** - Burns longer and cooler, no need to constantly replace bulbs. Lifespan up to 50,000 hours.
- **Application Diversity** - Bulb types are common across all make, model and vehicle types. This product line offers a product for every customer!
- **Easy to Install** - Simply remove the factory bulb and install the LED Bulb utilizing the same factory outlet. Plug-n-Play.

What Bulb Do I Buy?

	Bulb Brand	Price	Light Output	Bulb Types Available	Colors	Applications (where used)	Made in the USA by Putco
	LED 360°	\$	**	194/921/1156/1157/3156/3157/7440/7443	RED White Amber Blue (24)
