

Elite BR Series

TCP Elite BR Series is great for illuminating large areas with smooth, attractive light.

Color temperature options

CRI 82

Perfect for most applications

TCP LED

TCP LED	Incandescent Replacement
17W BR40	120W BR40
12W BR30/40	85W BR30 & BR40
10W BR30	65W BR30
8W R20	50W R20

New smooth design mimicks incandescent

Great quality light output – very smooth

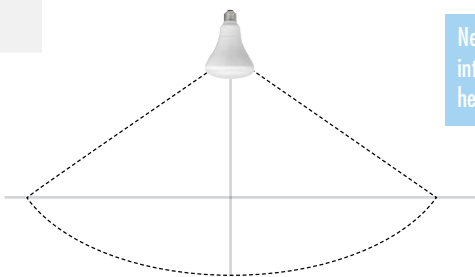

New design utilizes internal air flow to help cool driver

Elite chip configuration

Dimmable (100% to 5%) and non-dimmable options

20% more energy efficient

Uniform flood light distribution

BR40

BR30

R20

BR40, BR30 & R20

Features & Benefits

- Energy efficient: up to 85% less energy than standard halogen replacement.
- Smooth, uniform dimming.
- Smooth, clean outside housing.
- Very low heat generation.
- Excellent Color Consistency and CRI.

**Non Dimmable
Elite
