

## SORAA PAR38 DIMMER COMPATIBILITY LIST - North America

| Manufacturer | Model   | MD #       | Edge Trigger | Dim (%) | Note                                   |
|--------------|---------|------------|--------------|---------|--|
| Copper       |         | D106P      | L            | 3%      | Limited by mechanical travel of dimmer |
| Legrand      |         | ADTP703TU  | L            | 3%      | Limited by mechanical travel of dimmer |
| Leviton      |         | IPL06      | L            | 2%      | Limited by mechanical travel of dimmer |
| Leviton      |         | 6633-P     | L            | 1%      | Limited by mechanical travel of dimmer |
| Lightolier   |         | ZP1000     | L            | 7%      |  |
| Lightolier   |         | ZP600      | L            | 1%      | Limited by mechanical travel of dimmer |
| Lutron       | DIVA    | DV-600P    | L            | 2%      | Limited by mechanical travel of dimmer |
| Lutron       | Skylark | S-600P     | L            | 2%      | Limited by mechanical travel of dimmer |
| Lutron       | Skylark | SLV-600P   | L            | 3%      | Limited by mechanical travel of dimmer |
| Lutron       | Skylark | CT-603PG   | L            | 3%      | Limited by mechanical travel of dimmer |
| Lutron       | Skylark | CTCL-153P  | L            | 2%      | Limited by mechanical travel of dimmer |
| Lutron       | Skylark | S-600      | L            | 2%      | Limited by mechanical travel of dimmer |
| Lutron       | Skylark | S-603PG    | L            | 2%      | Limited by mechanical travel of dimmer |
| Lutron       | Skylark | SELV-300P  | T            | 5%      | Limited by mechanical travel of dimmer |
| Lutron       | Skylark | CTELV-303P | T            | 2%      | Limited by mechanical travel of dimmer |
| Lutron       | Nova    | NTLV-600   | L            | 3%      | Limited by mechanical travel of dimmer |
| Lutron       | Nova    | NTELV-300  | T            | 4%      | Limited by mechanical travel of dimmer |
| Lutron       | Glyder  | GL-600H    | L            | 3%      | Limited by mechanical travel of dimmer |
| Lutron       | Glyder  | GL V48     | L            | 2%      | Limited by mechanical travel of dimmer |
| Lutron       | Faetra  | FAELV-500M | T            | 4%      | Limited by mechanical travel of dimmer |
| Lutron       | Rotary  | D-603PGH   | L            | 0%      | Limited by mechanical travel of dimmer |
| Lutron       | Ceana   | CNLV-600P  | L            | 3%      | Limited by mechanical travel of dimmer |
| Lutron       | Toggler | 6B38       | L            | 4%      | Limited by mechanical travel of dimmer |
| Lutron       | Toggler | TG-600PR   | L            | 4%      | Limited by mechanical travel of dimmer |
| Lutron       | Maestro | MAELV-153M | L            | 3%      | Limited by mechanical travel of dimmer |
| Lutron       | Maestro | MAELV-600  | T            | 4%      | Limited by mechanical travel of dimmer |
| Lutron       | Maestro | MAW-600    | L            | NC      |  |
| Lutron       | Maestro | MA-600     | L            | NC      |  |
| Lutron       | Maestro | MALV-600   | L            | NC      |  |
