

WREATH KEEPER

from TREE KEEPER

WreathKeeper:
Use this bag to store wreaths,
accessories and more!

What's included:

The wreathkeeper comes nestled inside a round zippered bag with a handle. This Wreathkeeper carrying case attaches to the inside of the wreathkeeper for extra storage and rigidity.

NOTE: Handle placement and quantity varies depending on bag size.

To set up the WreathKeeper, unzip the small carrying case and remove the WreathKeeper. Completely unfold the WreathKeeper and open the top cover.

1

Once the WreathKeeper is opened, set the small carrying case into the middle of the wreath bag. Use the inner compartment for storage. There are also straps on the top inside seam of the wreathkeeper to secure the wreath.
