

## **PLT NOSTALGIC LED Series Dimmer Compatibility List<sup>i</sup>**

PLT Nostalgic LED lamps may operate on other dimmers and dimming systems not listed below.

The existence of a dimmer on this list is not a guarantee or warranty of the compatibility of the lamp / dimmer combination in all applications.

Actual performance of the lamps and dimmers may vary.

| Dimmer Brand | Dimmer Model | PLT Nostalgic LED Series |                         |
|--------------|--------------|--------------------------|-------------------------|
|              |              | Compatibility – 2 Lamps  | Compatibility – 8 Lamps |
| LEGRAND      | LSDC163P     | Y                        | Y                       |
| LEVITON      | 6631         | Y                        | Y                       |
| LEVITON      | 6672         | Y                        | Y                       |
| LUTRON       | S-600P       | Y                        | Y                       |
| LUTRON       | SCL-153P     | Y                        | Y                       |
| LUTRON       | TGCL-153P    | Y                        | Y                       |
| LUTRON       | LGCL-153P    | Y                        | Y                       |
| LUTRON       | MACL-153P    | Y                        | Y                       |
| LUTRON       | DVELV-300P   | Y                        | Y                       |

Y = Yes (Compatible)

N = No (Not Compatible)

**PLT is continually testing our LED products on various dimmers and dimming systems. We will continue to update this compatibility matrix as more results become available.**
