

USB Charger Devices. Smart, Fast, Convenient!

More Power to Keep You Connected!

The Leviton line of USB Charger Devices offers powerful charging capabilities to get your electronic devices up and running fast!

Our USB Charger Devices feature a smart chip that recognizes and optimizes the charging power of your device for fast and efficient charging. Plus, adapter-free charging eliminates unsightly clutter contributing to a neat appearance on countertops, desktops or wherever you choose to charge. Strategically placed vertical USB Ports in all models provide generous room to insert and maneuver charging cords and add to the contemporary and aesthetically appealing design.

Available with receptacle or without, Leviton USB Charger Devices are a powerful solution to help keep you connected to all your favorite mobile devices.
