

GS-3 aeration
coco-mix by Growstone®

High performance
Ready-to-use
Ultra-clean Soilless Blend

We sourced the finest coco fiber and blended it with our 100% recycled, 100% American made Growstones. What we created is a mix that can't be matched. Growstone GS-3 Coco Mix™ is a mixture of Growstones, Coco coir and Redwood fiber with added Mycorrhizae. It's by far the best Coco Hydroponic mix available on the market.

GS-3 Aeration Blend:

- 60% Growstone GS-1 and 40% Coco Fiber with Xtreme Mykos added
- Designed for frequent feedings
- Super aerated root-zone
- Releases silica
- Prevents overwatering & root rot
- Enriched with Xtreme® Mykos
- Triple washed and buffered coco coir

Enriched With:

Manufactured by Growstone, Inc.
18000 Cerro Colorado S.W., Albuquerque, NM 87121
