

ELYRL-301

LED Surface-Mount Wrap Light

Energetic Lighting's LED flushmount wrap light delivers a soft light profile with 3200 lumens to brighten up any application, while drawing only 40 watts of power. This versatile light can be used for general room lighting, or as a functional work area light. Installation is quick and simple when mounting into standard ceiling junction boxes. Constructed with a durable steel housing body and LED lifetime rating of at least 35,000 hours, this rugged wrap light is designed for many years of reliable operation.

Features

- No UV or IR radiation
- Modern and efficient design
- Mercury-free construction
- Easy and secure installation

Applications

- Architectural decor
- Overhead task lighting
- Ambient room lighting
- General lighting
