## Dimmers

### Brand Features

The next generation of lighting control technology is here with the new Decora® Digital Controls with Bluetooth® technology - a powerful device combining the best of Leviton dimmer and timer functions with today's technology. Just use your smartphone or tablet and the Decora Digital Dimmer & Timer app to control, adjust and time lighting for daily activities or to ensure a "lived-in" look while away. Decora Digital Controls with Bluetooth technology provide local control within a 30 foot\* range without the need of a hub, gateway or internet connection, bridging the gap between traditional dimmers and whole-house automation systems.

\*30-foot Bluetooth range: Range may vary depending on specific conditions on installation, configuration of walls, obstacles and other factors.
