

Decora® Digital Controls with Bluetooth® Technology

Decora Digital Controls are compatible with Decora and Decora Plus™ screwless wallplates and are available in the following colors.

Color selection varies by model.

Lighting control in the palm of your hand.

The next generation of lighting control technology is here.

Bridging the gap between traditional dimmers and whole-house automation systems, Decora Digital Controls with Bluetooth® technology provide local control within a 30 foot* range without the need of a hub, gateway or internet connection.

Now you can easily dim or time your lights directly from your smartphone or tablet by simply downloading the Leviton Decora Digital Dimmer & Timer App and pairing it with our new Decora® Digital Dimmer or Digital Switch with Bluetooth® technology.

Decora Digital Controls are ideal for living rooms, bedrooms, kitchens, dining rooms, home offices, porch lighting or anywhere full control of lighting is desired.
