

## POWER YOU CAN DEPEND ON

Milbank PowerGen™'s level II electric vehicle car charger delivers a full charge to your electric vehicle (EV) or plug-in electric vehicle (PHEV) in just a few hours. With AC power, electricity is transferred from the charging station to your car's on-board charger.

This space-saving, wall-mounted design is ideal for your home garage - conveniently charge your vehicle while sleeping, enjoying a meal or spending time with friends and family.

## WALL-MOUNTED CHARGING DOCKS

## FEATURES
