

Model: 730

120V Track Line Voltage Luminaire

WAC LIGHTING

Responsible Lighting®

PRODUCT DESCRIPTION

Line voltage luminaire with aiming and positioning flexibility and no need for tools.

FEATURES

- Easily re-lamped from the front without the use of tools
- Fully enclosed back to prevent light leaks
- 350° horizontal rotation and 90° vertical aiming. The side locking knob maintains aiming angle and fixture position integrity.
- Patented tool-free lockable aiming mechanism
- 5 year WAC product warranty

SPECIFICATIONS

Construction: Die-cast aluminum track head with die-cast locking knob for aiming and polycarbonate track adapter. Medium base 250V porcelain socket with nickel-plated copper screw shell.

Finish: Available in Black (BK) and White (WT).

Lamp: Order lamps separately. Uses medium base PAR30 lamps, 75W max.

Standards: UL & CUL Listed.
