A21 3-Way Omnidirectional LED Lamp

EQUIVALENT TO 45W/75W/100W INCANDESCENT

Simple, powerful, flexible light that gives you illumination how and where you need it. This amazing lamp gives you crisp clear light at three levels, and the omnidirectional design you can count on maximum light in all the right areas.

- **3-Way Omnidirectional Light:** Approximately 300° beam angle gives you smooth, clean light in three different spectrums
- **Uses Only 15W of Energy:** Save money and improve your energy efficiency with this low power consuming lamp that delivers big on light
- **Energy Star Rated:** A rating you can trust for quality

PRODUCT SPECIFICATIONS

SPECIFICATIONS¹	
Color Temperature	2700K
Output (Lumens)	470/800/1600
Power Factor	0.95
CRI	82
R9	8
Beam Angle	Omnidirectional
Equivalent Source Standard	45/75/100
Input Voltage (V)	120
Power Consumption (W)	4/8/15
Dimmable	No
Efficacy (LN/W)	115
Operating Temperature Range (°F/°C)	-1 to +105 -18 to +40
Product Dimensions (LxWxH in/cm)	2.56 x 2.56 x 5.29 6.5 x 6.5 x 13.4
Weight (lbs/kg)	0.40 / 0.181
Base	E26
Packaging	Box
Lumen Maintenance	20,000
Environmental Rating	Damp
Certifications	UL, ES, FCC, RoHS
Energy Star Rated	Yes
Warranty	5 Years

¹ Specifications and values supplied are nominal and are subject to change without notification
