LED DESIGNER STRIPS
INSTALL INSTRUCTIONS

WARNING

PLEASE FIND A QUALIFIED ELECTRICIAN FOR INSTALLATION. Please read the instructions before you install and use the luminaire.

WARNING, CAUTIONS AND OPERATING INSTRUCTIONS

- To reduce the risk of death, personal injury or property damage from fire, electric shock, falling parts, cuts/abrasions, and other hazards read all warnings and instructions included with and on the fixture box and all fixture labels.
- Before installing, servicing, or performing routine maintenance upon this equipment, follow these general precautions.
- Commercial installation, service and maintenance of luminaires should be performed by a qualified licensed electrician.
- For installation: If you are unsure about the installation or maintenance of the luminaires, consult a qualified licensed electrician and check your local electrical code.
- To prevent wiring damage or abrasion, do not expose wiring to edges of sheet metal or other sharp objects.
- Do not make or alter any open holes in an enclosure of wiring or electrical components during kit installation.

WARNING: RISK OF FIRE OR ELECTRICAL SHOCK

- Turn off electrical power at fuse or circuit breaker box before wiring fixture to the power supply.
- Turn off the power when you perform any maintenance.
- Verify that supply voltage is correct by comparing it with the luminaire label information.
- Make all electrical and grounded connections in accordance with the National Electrical Code and any applicable local code requirements.
- All wiring connections should be capped with UL approved wire connectors.

CAUTION: RISK OF INJURY

- Avoid direct eye exposure to the light source while it is on.
- Account for small parts and destroy packing material, as these may be hazardous to children.
- Suitable for Dry or Damp locations.

INSTALLATION

B: CHAIN MOUNTING WITH V HOOK: Attach customer supplied V-Hooks to each end of the luminaire base. Attach customer supplied chain to the V-hooks and mounting surface.

C: SURFACE MOUNTING: Secure luminaire base to mounting surface by inserting customer supplied #8 anchor screws, toggle bolts or suitable fasteners, depending on structural conditions, into key hole slots on the top side of the luminaire base.

D: T-BAR CLIP MOUNTING HOLE: Attach customer supplied T-Bar clips to the designated opening on the luminaire as show in Figure 2. Bring luminaire into T-Bar ceiling grid and secure luminaire to grid.
