FEATURES & SPECIFICATIONS

INTENDED USE

The fixed track series combines aesthetics with superior functionality for applications such as specialty retail, grocery, galleries, museums, hospitality, residential and educational environments.

CONSTRUCTION

The flush-mount fixed track series is available in a 3-lamp linear configuration using 50W MR16GU10 lamps (included).

Track lamp holder is made of steel with a 60-degree tilt and horizontal tilt 350 degrees.

ELECTRICAL

50W MR16 lamp uses a GU10 base 12V porcelain bipin twist lock socket. Includes 6 ft. power cord. 120 VAC 60Hz.

LISTINGS

ETL_{US} listed to UL1574 Track Lighting Standard.

Dry location.

WARRANTY

1-year limited warranty.

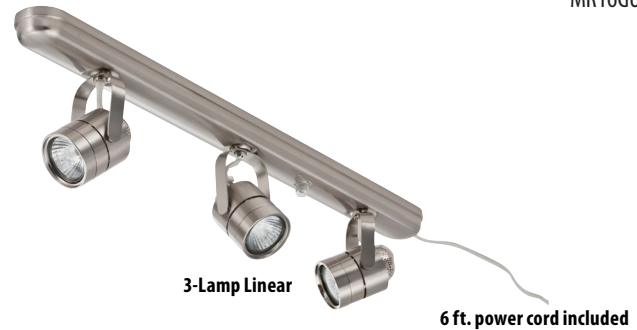

Actual performance may differ as a result of end-user environment and application.

Note: Specifications subject to change without notice.
