

# RCR and RCS series

## Ultra Thin Faux Downlight

### Specifications

Now Performance of a recessed downlight in an extremely low profile (less than one inch deep) surface mount LED fixture. Choose either a round or square silhouette in two sizes and two finishes, white and brushed nickel with a special regressed lens to provide even, comfortable illumination from these edge-lit fixtures. Now enjoy the most consistent, low wattage general lighting from a sleek, fresh appearance. Fixture with LED driver mounts easily to a snap in brackets that fits into a standard junction box. Wet location for indoor and outdoor use. 120V only. Dims to 10% with standard dimming.

### Mounting

Surface mounts to existing Junction-box or new construction with two screws.

### LED Engine

Slim closet to ceiling LED arrays providing 10watts with 660 lumens and 15 watts with 1000 lumens at 3000K color temperature.

### Dimming

RCR and RCS Series dims to 10% with standard dimmers\*

\* Triac Based (forward phase control or leading edge dimmers).

Note: Specifications subject to change without notice
