

Magnitude Warranty

Magnitude products are fully warranted against manufacturing defects for five (5) years from date of original shipment (the "Warranty Period").

This Warranty covers only properly installed products used as instructed and under specified conditions. For the duration of the Warranty Period, Magnitude will, at its option, repair or replace without charge, defective products, provided they are returned to the factory and our inspection determines the unit to be defective under the terms of warranty. Repair or replacement, as stated above, shall constitute the purchaser's exclusive warranty, which does not extend to transportation, installation, labor or any other charges; nor does it apply to any equipment of another manufacturer used in conjunction with Magnitude products.

The warranty described herein is in lieu of any other warranty expressed or implied, including, but not limited to, any implied warranty of merchantability or fitness for particular purpose. Magnitude's liability under this guarantee shall be limited to repair or replacement and the purchaser agrees that no other remedy (including, but not limited to, incidental or consequential loss) shall be available to purchaser.

Exceptions to Warranty:

The warranty described above shall not apply in the following circumstances:

- Malfunction in any unit after operation at more than the rated voltage;
- Damages resulting from accident, alteration, or misuse;
- Failure of color stability in non-standard paint colors;
- Damages resulting from the improper selection or installation of lighting products.
