TERMS AND CONDITIONS

This warranty is not applicable to any product which is not installed and operated in accordance with:

The National Electronic Code (NEC)

The Standards for Safety of Underwriters Laboratories, Inc. (UL)

The Standards of the American National Standards Institute (ANSI)

This warranty is not applicable if the system, lamp and ballast, is operated in abnormal operating conditions: If operated outside of the optimal work temperature range; if used with dimmers, timers*, motion sensors*, or other control devices; operating out of the recommended operating voltage, excessive operating hours or switching cycles, improper lamp and ballast installation, or operating with dirty or cracked sockets.

*Note: In order for the above referenced items to qualify for warranty coverage, customer payments must be made in full and on time, according to the customer's terms.

Use of timers or motion sensors may effect warranty.
