

# Head Floodlight with Motion Sensor

## DIMENSIONS

## APPLICATION

Integrated long-life LED technology in an affordable, energy saving security lighting solution. Provides maintenance-free general and security illumination for outdoor use in residential and light commercial applications. Bright, uniform illumination is ideal for walkways, yards, patios, parking areas, driveways and egress easements creating an inviting exterior space as well as providing safety and security.

## FEATURES

- Dual array motion sensor provides 180° detection with up to 70 feet forward range and additional downward perimeter protection for added security.
- Sensitivity and on-time adjustable knobs provide precision control, and the sensor has a manual override option.
- An integrated photocell prevents activation during daylight.
- IP Rating: IP65

## HOUSING

Two tool-free adjustable heads allow for easy aiming up/down or side to side. Rugged cast aluminum, corrosion-resistant housing in bronze or white. Clear acrylic lenses are fully gasketed to keep out moisture, dirt and bugs.

## MOUNTING

Mounts easily to existing junction box on wall or under building eave. Adjustable heads allow precise illumination. Not recommended to wire multiple fixtures in parallel.

## ELECTRICAL

120V driver operates at 60Hz.

## LISTING

Rated for outdoor installations, -40 °C minimum ambient temperature.

## WARRANTY

3-year limited warranty. See complete warranty for terms and exclusions. (Labor not included).

## ORDERING INFORMATION

Example Model Number: THF-20-120-850-WH
