### RECESSED INSTALLATION FOR DROP-DOWN CEILINGS

**STEP 1:**  
Move away ceiling tile.

**STEP 2:**  
Connect power supply.

**STEP 3:**  
Put the panel light into framework.

**STEP 4:**  
Finish the installation.

T-bar clips should be bent outwards to provide additional safety and support.  
Additional support means may be required by local or national codes.

Hole provided may be used to further secure fixture from above.

**Notes:**

Secure to grid per state and local codes.

Ceiling grid must adequately support weight of fixture.
