

Affordablility and Solid Performance

You need basic, affordable warehouse and high bay lighting and you need it to last. The I-BEAM® IBE LED luminaire gives budget-conscious customers a reliable solution with quality components, all from the most recognized name in high bays, Lithonia Lighting®. Additionally, the IBE LED can save up to 60% in energy and maintenance costs over traditional sources. Pair with sensors and dimming to save even more energy and extend the life of the fixture.

The I-BEAM® IBE LED is designed to meet the challenges of warehouse and light industrial applications, featuring a robust 6kV surge protection standard. IBE LED is UL listed to 45°C ambient with a thermal management system allowing for safe operation during times when temperatures rise up to 55°C*.

Features

- Lumen packages: 12,000 / 15,000 / 18,000 / 22,000 / 30,000
- Replaces up to 575W HID or 8-lamp T5HO consumes less energy, saves up to 60% in energy costs over traditional sources
- UL listed to 45°C ambient with a thermal management system allowing for safe operation during times when temperatures rise up to 55°C*
- 6kV Surge protection standard
- Semi-diffuse lens standard and optional diffuse lens
- DLC Premium listed

I-BEAM® IBE LED High Bay

We've got your warehousing and industrial lighting solutions covered. From our basic high bays to full-loaded fixtures, Lithonia Lighting® has your solution.
