

Parts needed to mount the JAZ extrusion

Extrusion (A)

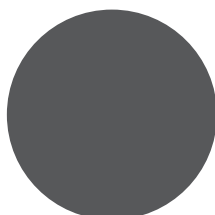

LED strip (B)

Hanger (C)

Cover (D)

End cap (E)

Tools needed for mounting:

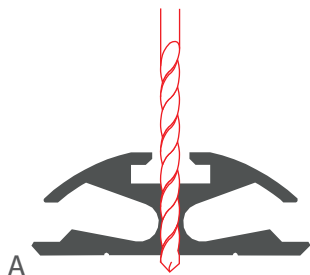

- drill

NOTE! All LED strips must be connected to a 12 V or 24 V power supply.

IMPORTANT: The manual presents the simplest mounting procedure.

- 1.** Drill a hole in the extrusion (A) to feed the power cable.
