

Warranty

The limited warranty set forth below is given by SATCO Products Inc. with respect to certain LED and CFL lighting products ("Product"), when delivered in new condition and in its original package, is warranted against defects in material and workmanship for a period of 2 to 5 years (depending upon product type; see below) from the original date of purchase, based on 3 hours of use per day. Defective Products should be returned to SATCO. Contact SATCO to obtain return authorization. Once returned product is proven defective upon inspection by SATCO, product will be repaired or exchanged as determined by SATCO.

This limited warranty covers all defects encountered in normal and recommended use of the product, and does not apply to cases below:

- (A) Loss or damage to the product due to abuse, mishandling, alteration, accident, electrical current fluctuation, failure to follow operating, maintenance or environmental instructions prescribed by SATCO.
- (B) Service provided by someone other than SATCO or an authorized service provider.
- (C) Warranty is void if product is not used for the intention which product was manufactured.

For Light Emitting Diode (LED) Bulbs - 5 Year

LED bulb's warranty and product life statements are based on operating the LED lamp in environments with an ambient temperature of -20° C (-4° F) to a maximum of +45° C (113° F) and are warranted for a period of 5 years, based on 3 hours of use per day – unless otherwise noted on the products packaging.

Average rated life may vary depending on application, use, fixture type and environment.

LED replacements lamps are not compatible with all photocells, timers and motion sensors and these devices can affect the performance of the products. Only LED rated devices should be used and if not, the warranty can be voided.
