

LED DECORATIVE LIGHTING

The Superior Life® decorative candles provide soft white illumination, ideal for accent lighting in hotels, lobbies and hallways. They consume up to 80% less energy than a traditional incandescent candle, significantly reducing operating costs.

ECO-FRIENDLY, MERCURY FREE • NO UV • NO PROJECTED HEAT

By incorporating advanced circuitry into our LED products, SUPERIOR LIFE® dimmable LED lamps function with switch dimmers just as normal incandescents do by allowing full linear dimming control. *Recommended LED Dimmer: Item# IP710 (Leviton IP710 - LFZ IllumaTech)*
