

LED DISC LIGHT DL SERIES

PRODUCT DESCRIPTION:

The LED Disc Light delivers the approach of recessed downlighting without requiring installers to use a recessed can. The LED Disc Light provides exceptional performance in general lighting applications for homes, hotels, motels and commercial properties, and can also serve as a cost effective temporary lighting solution. Featuring Driver on Board technology that increases performance and reliability, LED Disc Lights are equivalent to up to 75W PAR 30 halogen lamps.

FEATURES:

- Achieve recessed downlighting without using a bulky can
- Driver on Board technology
- Triac dimming standard
- Suitable for damp locations
- Dedicated voltage: 120V
- CRI: ≥80
- 5 year warranty
