

# SMART<sup>+</sup> LED A19

Soft White Lamp

Light has never been so enriching, helpful, individual and networked. SMART<sup>+</sup> brings the future of lighting into your home or business today. Experience intelligent, connected solutions that adapt at any time to your desires and lifestyle easily via existing mobile devices and a free, simple to use app.

The SMART<sup>+</sup> system begins with a wireless Gateway (sold separately or in starter kit) that can be plugged into a standard wall outlet anywhere in your home or business, and wirelessly syncs with your existing WiFi network. The free, user-friendly LIGHTIFY App, which runs on Apple iOS7 or above and Android 4.1 or above, offers a variety of practical and playful options to control the lighting system and is simple to use, convenient and secure.

## Key Features & Benefits

- Home automation smart lighting controlled by smartphone or tablet
- Lamp turns on at 2700K 100% brightness, but the brightness can be changed via the App
- Life: 11,000 hours rated life
- Replaces 60W A19 incandescent
- SMART<sup>+</sup> System is controllable from inside the home or on the go
- Control light sources with simple to use scenes and grouping via the LIGHTIFY® App
