

GREENCREATIVE

Titanium Series PLS 3.5W HYB G23

For models: 3.5PLS/xxx/HYB/G23

Where xxx means 824-965 which indicates CRI and color temperature

Magnetic Ballast Compatibility

Series	Model	Compatibility
Philips - Advance	LPL-59-TP-I	OK
Sola	FCF-7/9-TP	OK

*GREEN CREATIVE has provided this ballast compatibility chart for guidance when selecting a ballast and lamp combination. Lamps were tested for compatibility with the above listed magnetic ballasts. Ballasts that do not appear on the chart might still be compatible but have not been tested. All testing has been performed with a stable main supply. The quality of the local main, existing installation and wiring, as well as different manufacturer versions of the above ballasts may affect lamp performance. Since no assurance can be provided regarding these factors, it is a general recommendation to perform a test on-site prior to installing the LED lamps.
