

## Great Features/Benefits

TCP's LED Flat Panel Luminaire features a slim, low-profile design with full panel diffusion and superior uniformity.

It offers a cost effective solution to maximize savings and take advantage of utility rebates without sacrificing performance.

APPLICATIONS: T-bar Grid Ceilings

- Up to 51\% less energy than fluorescent alternatives
- Long 50,000 hour rated life
- Excellent color consistency \& CRI
- Mercury free
- Fits standard 1 " and 9/16" T-bar grid ceilings
- Utilizes edge-lit technology
- Slim, low-profile design
- Ideal for:
- Offices
- Retail Stores
- Schools
- Hospitality
- Restaurants
- Healthcare

## Applications

TCP LED Flat Panel luminaires are costeffective, high-efficiency alternatives to traditional T5, T8 and T12 linear fluorescent troffers. Featuring a slim, low-profile design, our LED flat panels uses edgelit technology to deliver full panel diffusion and superior uniformity. Applications include offices, schools, retail locations, healthcare, hospitality and other T-grid and commercial ceilings.

## Construction

- Housing includes junction box for wiring
- Rectangular white frame
- Lens: frosted white diffuser
- IP20 rated
- IC rated for direct contact with insulation
- Designed for easy drop into T-bar grid ceilings

## Electrical

- UL/cUL damp location rated
- 0-10V dimming driver (standard)
- Easy-to-access wiring compartment on back of fixture
- System rated for long 50,000 hour life

## Optics

- Innovative edgelit technology paired with acrylic light guide and thin frosted white diffuser
- $120^{\circ}$ beam angle
- Delivers full panel diffusion and excellent uniformity

## TECHNOLOGYCAST IN A BEAUTIFUL LIGHT

For over 20 years, TCP has been designing, developing and delivering energy-efficient lighting into the market. Thanks to our cutting-edge technology and manufacturing expertise, we have shipped billions of high quality lighting products. With TCP, you can count on a lighting product that is designed to meet the needs of the market-that transforms your surroundings and envelopes you in warmth—lighting that generates beauty with every flip of the switch.
