

Recommended Dimmers for Cree® A19 (40/60W), BR30 (65W) and PAR30 LED bulbs.

LED LIGHTING

Cree LED bulbs are designed to be dimmed with standard incandescent type dimmers and are compatible with most Electric Low Voltage (ELV) dimmers. This list was generated from lab testing of samples and your results may vary.*

Works Best With

No flickering or shimmer observed and smooth dimming across range. No audible noise.

Wall Plate Style

Works With

May produce some flicker or shimmer. Minimum adjustment to dimming level may be required. No audible noise.
