

# CRT-TRM

CR4T and CR6T Trim Accessory

Rev. Date: V4 07/24/2019

## Product Description

CRT trim accessories are designed for easy snap-in attachment to CRT downlights, providing a clean aperture appearance that decreases high angle brightness with minimal effect on lumen output. With a variety of colored finishes to choose from, the CRT trim accessory is a superior grade solution that compliments a variety of interior designs.

## Product Specifications
