

# LED ECB54W-2150

Class: LED Corn Bulb

## Product Description

The ECB54W-2150 corn bulb delivers 7560 Lumens of superior light at 54 Watts, an equivalent to a 250-Watt metal halide bulb. This corn bulb has an average of 50,000 hours of performance. The Euri Lighting corn bulb functions on AC 100-277 line voltage and is best suitable for commercial use. It's high lumen output and Cool White Light (5000K) make it perfect for use where bright light is needed such as warehouses, or street lamps and parks for security. Enjoy features such as: Energy Efficient, Damp Rated, Optimized Ventilation, IP64 Protection, and Surge Protection.

**Estimated Energy Cost:** \$6.50 per year
