

LED ET5-2150H

Lamp Class: T5 Hybrid (A+B)

5000K
CCT

Product Description

A smart energy-saving alternative to traditional fluorescent lighting, the Euri Lighting ET5-2150H outputs high lumens for low watts. With hybrid technology, this 4-foot LED tube makes for uncomplicated installation with or without a ballast. Shatterproof glass and built to last 50,000 hours, Euri Lighting's ET5-2150H reduces energy and maintenance worries with every use. See Euri Lighting ET5-2140H for Bright White (4000K).

Estimated Energy Cost: \$2.89–3.19 per year

*Note: Design, features and specifications subject to change without notice. Some features may not be available on all models. Please visit www.eurilighting.com or call 1-888-743-5766 for more information.
