BACK-LIT LED TROFFER

NOTE: Components shown in images are representative only and may vary based on the configuration ordered.

CAUTION

Read instructions carefully and turn electricity off at main circuit breaker panel before beginning installation.

WARNING

If any special control devices are used with this luminaire, follow the instructions carefully to assure full compliance with NEC requirements. If there are any questions, contact a qualified electrical contractor.

WARNING

This product contains chemicals known to the State of California to cause cancer, birth defects and/or other reproductive harm. Thoroughly wash hands after installing, handling, cleaning, or otherwise touching this product.

INSTALLATION METHOD 1: RECESSED MOUNTING

STEP 1

Open access plate. Use knockouts to connect power using appropriately-sized electrical fittings.

STEP 2

Set lumen output to desired level using lumen selector switch on gear tray.

STEP 3

Raise unit into ceiling.

STEP 4

Make wiring connections.

STEP 5

Bend T-bar clips into position.
