

Less but more
CFLs use 66% less energy than a standard incandescent bulb and last up to 10 times longer.

When 1's a lonely number
Our 2-Piece lamps are ideal for closet lights, ceiling lights, floor lamps, and table lamps.

Green Alert

Clean up the earth
If every household in the U.S. replaced one light bulb with a CFL, it would prevent enough pollution to equal removing one million cars from the road.
