

PLT LED LUMINAIRE, LED CORN BULB, AND HIGH BAY RETROFIT LIMITED WARRANTY

All DLC and Energy Star qualified PLT branded LED Luminaires, LED Corn Bulbs, and High Bay Retrofits are warranted to be free of defective materials and workmanship for a period of not less than 5 years. PLT LED Luminaires, LED Corn Bulbs, or High Bay Retrofits covered by this Limited Warranty shall be installed in accordance with the provided installation instructions as well as local and national codes and standards and utilized under normal operating conditions. Any PLT LED Luminaires, LED Corn Bulbs, or High Bay Retrofits that are not DLC and Energy Star qualified are covered by this limited warranty for a period of not less than 3 years.

This warranty does not apply to damage or failures caused by acts of God, as a result of any abuse, misuse, vandalism, fire, corrosive environments, power surges, excessive switching cycles, improper maintenance, abnormal use, tampering, or unlawful acts by third parties.

For any PLT LED Luminaire, LED Corn Bulb, or High Bay Retrofit that fails to operate as indicated in the performance specifications defined in the documentation accompanying the PLT LED product or on published PLT specification sheets, and at PLT's discretion, PLT will replace, in part or whole the PLT LED Luminaire, LED Corn Bulb, or High Bay Retrofit or issue a credit to the distributor only for the cost of the product due to defective materials or workmanship.

This warranty is limited to the replacement or credit of the Luminaire, LED Corn Bulb, or High Bay Retrofit itself. This is the buyers exclusive remedy. Any other warranty, express or implied, including any warranty of merchantability or fitness for a particular purpose, is excluded and disclaimed. PLT shall not be liable for any special, incidental or consequential damages including labor, loss of use, lost profits or injury to persons or property. Should PLT provide replacement Luminaires, LED Corn Bulbs, High Bay Retrofits, or components, PLT will, at its option, repair or replace the PLT LED Luminaire, LED Corn Bulb, or High Bay Retrofit with the same or functionally equivalent product or component parts. If PLT chooses to replace the PLT LED Luminaire, LED Corn Bulb, or High Bay Retrofit and is not able to do so because it has been discontinued or is not available, PLT may replace the product or component with a comparable product. Furnishing of a replacement PLT LED Luminaire, LED Corn Bulb, or High Bay Retrofit or part under the terms of this Limited Warranty shall not begin a new warranty period related to such replacement PLT LED Luminaires, LED Corn Bulb, or High Bay Retrofit or part but rather shall be limited to the original warranty period associated with the warranted product.

For products with discrete chip technology (individual LED chips), PLT warrants that no more than 10% of the discrete LEDs will fail within the stated warranty period.

PLT reserves the right to examine all Luminaires, LED Corn Bulbs, and High Bay Retrofits prior to the determination of warranty status. All Luminaires, LED Corn Bulbs, and High Bay Retrofits must be retained for warranty claims until such time as PLT determines the final disposition of the product. The warranty period starts on the date of installation. If the date of installation is unknown or undetermined, the warranty period will start at the wholesale purchase date.

Credit is calculated as follows: $\text{Credit (\$)} = \text{Invoiced Purchase Price (\$)} \times \frac{\text{Unexpired Original Warranty Period (months)}}{\text{Warranty Period}}$

NOTE: Luminaires sold with customer requested PLT installed modifications are final and non-returnable.
